What's a girl to do when she whispers another man's name in her fiancé's arms?

When forbidden dreams about the sexy French Dr. Yves Malroux assail her at every turn, Mary-Beth puts her wedding plans on hold. The man would probably not even remember the plump nerd she was three years ago, before she lost her illusions faster than her pounds. Regardless, to be able to marry her fiancé without any reservations, Mary-Beth needs to confront her past, and flies to France for a summer training program in surgery with Yves.

But Yves never forgets an organ he removed from a patient or a woman he dated. And he never forgot the pretty student of Harvard Medical School who has turned into a stunning beauty, and now seems in serious need of coaching about spicing her serious life with some fun and passion.

While too many questions still swirled in her mind, her jealous fiancé summons her back home. Will Mary-Beth let her heart decide who's her right man? Will Yves break his no-strings-attached rule to offer love and commitment?
