This Is A Steamy Billionaire Romance That Leaves VERY Little To The Imagination, With NO Cliffhanger And A Happily Ever After Ending! Contains A Surprise BONUS Inside!

Jessie Montgomery has fought her way up the corporate ladder. Now, as the CEO of Billings, Inc., her life is on track. Or at least she thought it was.

Her life is suddenly turned upside down when the company is sold to their biggest competition, Capers Corp. She knows exactly who they are and dislikes the idea of a merger. She hates the idea of working with their CEO even more. As far as she is concerned, he is an arrogant and cocky womanizer who spends more time chasing skirts than working. She needs to find a way to keep her job and stay away from him.

Damon Sinclair is a lady's man, but many don't know who he really is. A dedicated and confident businessman, he has made Capers Corp. a huge company. He makes her uncomfortable, yet if she is honest with herself there is an attraction there.

Will Jessie accept that the anger she feels is tied to her attraction to Damon, and when things get heated can she hold her own? When a merger celebration event goes quite differently than expected, she must decide what is most important.

WARNING: Some bonuses contain mature themes and language and are intended for 18+ readers only.
