## The Bees: A Novel Laline Paull

*The Handmaid's Tale* meets *The Hunger Games* in this brilliantly imagined debut set in an ancient culture where only the queen may breed and deformity means death.

Flora 717 is a sanitation worker, a member of the lowest caste in her orchard hive where work and sacrifice are the highest virtues and worship of the beloved Queen the only religion. But Flora is not like other bees. With circumstances threatening the hive's survival, her curiosity is regarded as a dangerous flaw but her courage and strength are an asset. She is allowed to feed the newborns in the royal nursery and then to become a forager, flying alone and free to collect pollen. She also finds her way into the Queen's inner sanctum, where she discovers mysteries about the hive that are both profound and ominous.

But when Flora breaks the most sacred law of all—daring to challenge the Queen's fertility—enemies abound, from the fearsome fertility police who enforce the strict social hierarchy to the high priestesses jealously wedded to power. Her deepest instincts to serve and sacrifice are now overshadowed by an even deeper desire, a fierce maternal love that will bring her into conflict with her conscience, her heart, her society—and lead her to unthinkable deeds.

Thrilling, suspenseful and spectacularly imaginative, *The Bees* gives us a dazzling young heroine and will change forever the way you look at the world outside your window.

### From reader reviews:

#### Mable Garza:

Your reading 6th sense will not betray a person, why because this The Bees: A Novel reserve written by well-known writer who knows well how to make book that could be understand by anyone who read the book. Written throughout good manner for you, dripping every ideas and publishing skill only for eliminate your personal hunger then you still doubt The Bees: A Novel as good book not merely by the cover but also from the content. This is one book that can break don't assess book by its include, so do you still needing yet another sixth sense to pick this particular!? Oh come on your studying sixth sense already alerted you so why you have to listening to one more sixth sense.

#### Leroy Mallett:

In this period globalization it is important to someone to obtain information. The information will make someone to understand the condition of the world. The healthiness of the world makes the information quicker to share. You can find a lot of references to get information example: internet, classifieds, book, and soon. You will see that now, a lot of publisher in which print many kinds of book. The actual book that recommended to you is The Bees: A Novel this book consist a lot of the information in the condition of this world now. This kind of book was represented so why is the world has grown up. The language styles that writer value to explain it is easy to understand. The particular writer made some research when he makes this book. Here is why this book ideal all of you.

#### Nick Gulbranson:

Many people spending their time by playing outside with friends, fun activity having family or just watching TV all day every day. You can have new activity to pay your whole day by studying a book. Ugh, do you consider reading a book can definitely hard because you have to use the book everywhere? It alright you can have the e-book, getting everywhere you want in your Touch screen phone. Like The Bees: A Novel which is keeping the e-book version. So , why not try out this book? Let's notice.

#### Roman Morris:

As a college student exactly feel bored to be able to reading. If their teacher expected them to go to the library or make summary for some book, they are complained. Just tiny students that has reading's spirit or real their pastime. They just do what the professor want, like asked to the library. They go to there but nothing reading significantly. Any students feel that looking at is not important, boring as well as can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this The Bees: A Novel can make you really feel more interested to read.
