## Why Does the DJ Cost So Much - How to Hire a DJ for the Right Price DJ Judge Mental

This report is for anyone looking to hire a DJ and for DJs who need to explain their pricing. Often people who look to hire a DJ think that the DJ is “just coming over to play some music” and cannot see why a DJ would charge so much money for the task. Professional DJ’s often find themselves having to defend their expertise against someone who holds the same title of “DJ” but advertises to do the same job for a much lower price. All of these reasons are justified until the proper level of understanding is achieved. Hopefully this report will aid in that understanding.
