REVEL for Sociology -- Access Card (16th Edition) John J Macionis

See sociology in everyday life

REVEL™ for *Sociology*, Sixteenth Edition empowers students to see the world around them through a sociological lens, helping them better understand their own lives and the world we all share. John Macionis, author of the best-selling Introductory Sociology franchise over the last three decades, takes students step by step through the theories and research that make up the discipline, helping them to find and use the science of social behavior in everyday life. In addition to extensively updated data, REVEL for the sixteenth edition offers engaging discussions of hot-button contemporary topics such as the increased proliferation of social media as well as expanded coverage of race, class, and gender.

REVEL is Pearson's newest way of delivering our respected content. Fully digital and highly engaging, REVEL replaces the textbook and gives students everything they need for the course. Informed by extensive research on how people read, think, and learn, REVEL is an interactive learning environment that enables students to read, practice, and study in one continuous experience – for less than the cost of a traditional textbook.

NOTE: REVEL is a fully digital delivery of Pearson content. This ISBN is for the standalone REVEL access card. In addition to this access card, you will need a course invite link, provided by your instructor, to register for and use REVEL.
