This is no ordinary story. In the first book, Aisha was treated horribly by Heath and Hunter. In this volume, she finally finds the courage to stand up to them. She also learns that with the help of the four shifter brothers, she is strong enough to stand up to anyone.

Leaving the normal world behind, Aisha goes high into the mountains to live with the shifter brothers. It is there that she finally learns what a real home feels like. She learns what real love feels like.

She also realizes just how challenging it will be for her to keep all four brothers happy at the same time, especially when two of them are alpha males.

**Follow Aisha as her journey brings her deep into the lore, eroticism and fantasy of life among the shifters of Alaska.**

**You will not regret it!**
