The Art of Salvation speaks to the girl who is shackled by pain and needs to break free. It tells her that it is okay to be angry but love and joy is on the other side. The devil's plan is to break her down but once she develops a strong mindset and breaks those chains, the devil will back off. There is beauty in freedom because God is beauty and He is the only one who can deliver us from what once was. That shackled little girl should know that she will fail many times but getting back up, forgetting about yesterday, and trying again only makes her stronger. She should always remember that she is beautifully imperfect, she is a champion, she is a warrior, and most of all she is built to handle any situation because she is a woman.
