The Falcon Club:Falling for Him (Volume 1) Amy Stephens

*Intended for readers 18+ Erica Kennedy was excited about starting her freshman year of college at State University with her best friend Monica. Out of the blue, her parents surprised everyone with a divorce that quickly turned nasty and she was forced to change all of her plans for the fall. Now, no longer attending State, Erica enrolls in Bishop University, a local four-year school geared more for older, working adults and those serving in the military at the nearby Air Force Base. Being one of the younger students, Erica feels out of place. With two of her classes actually being on the military base, she's even more uncertain because the classes there are filled with good looking military men along with another interesting group who wear gray jumpsuits bearing the name The Falcon Club. One guy in particular, Jaime, catches her attention and she can't resist the urge to find out more about him. Not sure if it's luck or just coincidence, Erica is placed in a study group with Jaime and the mystery behind his gray jumpsuit becomes even more intriguing as does her attraction to him. What she thought was just an elite military group turns out to be so much more. In discovering the truth, can she stop herself from falling even more for him or will she take her chances and risk everything for a relationship with him? The Falcon Club: Falling for Him, told from Erica's point of view, is the first book in the two-part series. It will conclude with The Falcon Club: Falling for Her, Jaime's story, which is told from his point of view. The Falcon Club is like no other club you have read about before! *****PLEASE NOTE***** Falling for Him does have a CLIFFHANGER ending.
