## The Koran With Parallel Arabic Text (In English With Arabic Text)

The Koran, as N.J. Dawood states, is "not only one of the most influential books of prophetic literature but also a literary masterpiece in its own right." Universally accepted by Muslims to be the infallible Word of God as revealed to Mohammed by the Angel Gabriel nearly fourteen hundred years ago, the Koran still provides the rules of conduct fundamental to the Arab way of life. N.J. Dawood's masterly translation, first published in the mid-1950s and now completely revised in the light of a lifelong study of the language and style of the Koran, presents the English reader with a clear, fluent and authoritative rendering, while fully reflecting the characteristic flavour and rhythm of the original. The present edition is laid out page by page alongside a parallel Arabic text prepared in the traditional calligraphic style. A comprehensive index has also been added. "The only version, if you want to know in English what the Koran actually says....This contemporary but poetic version is essential reading for any non-Muslim who wants to understand our modern world, and its gnarled ancient roots" - The Times
