### **From Finding To Designing Your Own Cozy Little Home**

Taking home ownership to a whole new level, this book describes in great detail the history and the process behind the latest craze to hit the home building industry; shipping container homes! That's right, just by taking an old shipping container and doing a bit of repurposing you can have a home that is not only fashionable but durable! These babies are built to last and as you read more about how they are made you will understand why!

Shipping Containers are laying in waste in unused stockpiles all over the world. This book clearly explains to you how you can obtain these containers, though either direct purchase or even getting them for free. In a world of limited resources getting your hands on material such as a shipping container is invaluable. So go ahead and join the craze that has taken both the shipping and the housing world by storm! Learn how to start your own shipping container home! Read this book to learn more!

## In this book we will cover:

- The history of Shipping Container Homes
- The Market for Shipping Container Homes
- How to Purchase a Shipping Container Home
- How to Build a Shipping Container Home
- Basic plumbing and electricity installation
