## Laird Wolf (Takhini Shifters) (Volume 2) Vivian Arend

From New York Times bestselling author *Vivian Arend*, a new story set in the **Takhini Wolves/ Granite Lake Wolves** world. These stand-alone stories are filled with humour and heart-felt adventures, and the sexy happily-ever-afters are sure to make you smile --- *He's a wolf in a kilt. That pretty much says it all...* Pulling off a rescue mission at a remote castle in Scotland should be an easy task for lone wolf Damon Black. He'll flash some muscle, show a little Alpha power, and do whatever it takes to ease Addie MacShay's fears. But the woman who throws herself into his arms and cries *boyfriend* is more intriguing than anticipated. The sexy she-wolf's got more curves, more tantalizing scent, more of *everything* he desires. Addie's job cataloguing an estate at the Sterling-Wylde Manor is complicated by the ongoing discovery of new wills and the two creepy heirs who won't leave her alone. But her fake boyfriend turns out to be a far greater threat—not only is he fun and flirtatious, he looks delicious in a kilt. She craves his touch, but with her empathic skills on overdrive, touch is the last thing she needs. Damon's fighting his unruly inner beast. Addie's fighting their incredible sexual pull. They'll both have to lower their guard to make this more than a Highland fling.
