Covering a vast array of experiences, contemplations & conversations, "Acuity" brings the reader behind the eyes of the author. Allowing them to access and assess his perspective; this collection of pieces combine to pursue and reveal that interconnecting thread of humanity which is ever present within us all. "I lived this book before I wrote it. All the roads I've traveled from the point I began to walk to present day helped shape and mold me into the man I am today. In writing this book, that truth became more evident than ever before. Ultimately, I was always my Father's Son. There is no higher praise." - Kendall Donar "Acuity" is Kendall Donar's 1st book of poetry. It is dedicated to both his Father & Mother; Ronald & Linda Donar.
