International Review of Industrial and Organizational Psychology, 1986 (Volume 1)

International Review of Industrial and Organizational Psychology, 1986 (Volume 1)

This book is the first in a series of annual volumes which will provide authoritative reviews of the field of industrial/organizational psychology. The chapters are written by established experts and the topics are carefully chosen to reflect the major concerns in the research literature and in current practice. Each chapter offers a comprehensive and critical survey of a chosen topic, and is supported by a valuable bibliography. Topics for future volumes in the series will be selected for their importance and relevance at that time, so that the series will be the main authoritative and current guide to important areas and developments in the field of industrial/organizational psychology, for professional psychologists, managers and scholars.
