Lightning strikes an ancient stone chamber, thrusting Violet Quinn back in time to sixteenth century Scotland. Emerging amid the frenzy of the Scottish Reformation, her life is at risk as she searches for a way home.

Scottish knight Robert de Mallay is on the most important mission of his life: protecting an ancient secret. He detours to rescue a beguiling young woman in peril. Now both are in danger as they fight off pursuers, all the while knowing that completing the mission will part them forever.

Their greatest battle of all will be against their own hearts.

The Highland Passage novels are stand-alone books that may be read in any order.

A Note on the Content: The Highland Passage romances fall on the sweet end of the romance spectrum. Although not explicit, they may contain sexual situations and mild profanity.
