The Hinge of the World: In Which Professor Galileo Galilei, Chief Mathematician and Philosopher to His Serene Highness the Grand Duke of Tuscany, and His Holiness Urban VIII Richard N. Goodwin

A drama about the confrontation between two great men who changed history. The focus of the book centers around the epic struggle between the great Tuscan Galileo and his arch-opponent and one-time-friend, Pope Urban VIII--now prince of a church threatened by Galileo's new science. In this surprising, original, and thought-provoking work, we see the forces that doomed Galileo and vindicated the Pope's authority, but weakened it in the end.
