**Vigilante Justice (Tori Vincent Mysteries) (Volume 3)** Linda A Foley

When vigilantes abduct accused rapists, tar and feather their genitals, and tattoo “Rapist” on their stomachs, the Gainesville Police ask forensic psychologist Tori Vincent to help find “these nuts.” The more Tori delves into the lives of the abducted men and the women who accused them of rape, the more she empathizes with the vigilantes and the less she sympathizes with the so-called victims. She copes with the suicide of a rape victim, the murder of a rapist, and trial of a doctor, while managing conflicts with her ex-husband and thirteen-year-old son.
