Distance Becomes Sky

Rachel Dutton Olds

Distance Becomes Sky Rachel Dutton Olds

Understanding is a bridge, what happens when you go across to the other side. A story is one way to cross that bridge and inhabit a world of possibility. In a story woven of voices of animals, people, and the land, exiles from an imploding Orwellian culture encounter the relict natural world, themselves, and each other, and enter an older way of being, blended in openness. An exploration of the way home. A story of sacred Earth.
