From cuckolding expert MsNN:

She's been supportive. She's been patient. She's been understanding.

And she has had ENOUGH.

Her once exciting sex life has vanished beneath the self-absorbed frustrations of her husband with his job. It's time to teach her husband to have some true respect.

Turns out, the husband is a good student. But he's got so much to make up for . . .

The first part of a new cuckold and male submission series, 'Taken in Hand' is a funny and erotic journey into one wife's determination to save her marriage by showing him who's boss.

## **WHAT READERS ARE SAYING:**

"This is an excellent story that gave me a unique understanding of how a woman's unending love for her husband lead her to pursue a new role as FemDom. The story does a great job of showing how being a Dominant woman isn't always about an instinctual need for power, as it normally is with men, but how it can be derived out of a deep love, and need for intimacy. Once that fire was lit inside of her, it burned out of control, forcing it's way to freedom. Now she will embark on a new journey, and I, for one, can't wait to read more about it."

- C., Raleigh

"Wow, this story has it all. It not only tugs at your loins but also tugs at your heart strings. It is realistic enough to allow everyone that has been in a stale relationship to relate to the situation yet filled with the eroticism necessary to escape one for a moment. The rawness of both the emotion and the erotica drips from her words. I can't wait to see what else she has in store for him."

- K., Richmond

"The world needs more good cuckold stories like this to inspire couples to enjoy this wonderful lifestyle."

- A., Germany

"In this book, you talk about certain aspect of sex and how can couple spice up their sex relationship. It makes me and my wife rethink about cuckolding and guide my wife on how to turn us on. I really enjoyed reading this intro. Well done!"

- M., Egypt

"I am sure reading this story will start lot of irresolute couples to start this amazing lifestyle. And the open

end (Josh) is promising for TO BE CONTINUED...

I had to read it repeatedly, became jealous to be the one instead of the husband (Pet? Robin?) since I am not so lucky to have such a mistress. But my imagination went wild... and urged me to continue my self-chosen chastity."

- T., Vienna
