The Stormriders Donna Ball

From award- winning author REBECCA FLANDERS (now writing as Donna Ball).....

A tale of passion, adventure and triumph as only she can tell it!

Meg Forrest is a brilliant engineer: competent, controlled, and completely in charge ... until, that is, she meets and impulsively marries reckless Alaskan bush pilot Red Worthington. Their love affair is as brilliant, and as ephemeral, as the Northern Lights, and as turbulent as the spring storms that sweep so unpredictably across the tundra. They are thunder and lightning together, and too ready to call it quits when the going gets tough. But when a sudden blizzard traps them together with the lives of an entire community of misfits depending upon them, they realize that they will always be better together than they could ever be apart, and that they must work together to save themselves, the people they care about, and their love...
