This revised version of my Top-Selling book "Betting Baseball '09" by J. Frederick O' Leary (another one of my many pseudonyms), comes with a service offer from <http://thetuttlemathpsm.com/>. But, you must be able to show POP (Proof of Purchase) of both books. If you own both books, simply send copy/pasted receipts to: [jjtuttle131@yahoo.com](mailto:jjtuttle131@yahoo.com). I think that my book can help the novice baseball bettor immensely! The first six chapters (which consists of over 12k in wordage), are all brand new thoughts and ideas from my own experiences. These first six chapters (of newly formed content) have been attached to the original 10-chapter book. Basically, if you did not buy my first book; you're getting two books for the price of one. And (in total), over 29k in total wordage for you to absorb.
