Level 3 - Charity Book Putnam once again sets her imagination free at the keyboard in her fourth collection of hymn arrangements. Her stunning new harmonizations and fresh rhythmic approach to traditional hymns make this book a must for pianists who want to expand their musical vocabulary. Some selections fall into the jazz category while others might be better described as having a new age or Americana flavor. The table of contents includes Medieval chant, Reformation chorale, classic British hymnody, and American Gospel, all seen through Charity Book Putnam's musical kaleidoscope. This is a challenging and rewarding book for the advanced pianist.
