I Bring the Fire (6 Book Series) C. Gockel

From Book 1: ~ Part of the USA Today Bestselling Series ~

In the middle of America, Amy Lewis is on her way to her grandma's house. She's being chased by a very bad wolf. Galaxies away Loki is waking up in a prison cell, strangely without a hangover, and with no idea what he's done wrong — this time anyway. But he does know Thor is hiding something, Odin is up to something wicked, and there seems to be something he's forgotten...

In this urban fantasy tale that is equal parts "Dresden Files" and "American Gods," a very nice midwestern girl and a jaded, mischievous Loki must join forces to outwit gods, elves, magic sniffing cats, and nosy neighbors. If Loki can remember exactly what he's forgotten and Amy can convince him not to be too distracted by Earthly gadgets, Earthly pleasures, or three day benders, they just might pull it off...

This first installment of "I Bring the Fire" is for anyone who suspects chaos and mischief makers might have their own redeeming qualities, and anyone who just wants a good fantasy romp through modern Earth, ancient Asgard, and beyond!
