Jacy has always been drawn to Tom, but she isn't sure he's ready for that once-in-a-lifetime kind of love when she finds out she's pregnant. Tom knows his duty, but isn't prepared for the unsettling and amazing whirlwind he took to bed that one night. Neither of them can forget that night.. nor do they want to, but is one night enough to base a lifetime on? YES! Jacy is a wonderful modern heroine - wanting to do what's best but unwilling to trap any man in a place where he'd rather not be. Tom is a man with a past who needs to learn to look to the future.
