## **Moses** Martin Buber

Martin Buber, scholar, philosopher, theologian, and Bible translator, is now considered one of the great thinkers and spiritual authorities of the 20th century. As a work of his late maturity, *Moses* offers the possibility to review Buber's longstanding concern with Scripture. It is in this book that Buber's methodological presuppositions about biblical language and stylistics, and his views on the enduring value of the Bible's religious teachings, come to clear expression.
