### Deception in the Highlands

Lady Catriona, sole surviving heir to Clan Sutharlainn, is crossing the Scottish highlands in disguise to complete a mission that she has been plotting for the last ten years: avenge the death of her beloved father.

Cat must infiltrate the most dreaded and isolated of clans—the MacConaills. She knows that the Laird and his sons had a hand in poisoning her father, and Catriona intends to inflict upon them the same terrible death.

Can she complete her task and survive to tell the tale, or will she find that there is more to the MacConaills than meets the eye?

And when sparks fly with the sultry son of the enemy Laird, will Lady Catriona be forced to decide between avenging her father, or following her heart? And is it possible that she can do both?

This book is part of the *Highland Shifters* series and can be read together with books 2 and 3, or as a stand alone story.
