Have you ever wondered, "How Can God be in control of everything but allow humanity to have free will at the same time?" If so, you're not alone and this question isn't new! In fact, Calvinism has argued that God is in charge for 500 years. For just as long, Arminianism has maintained that humanity has complete free will. "Refreshing Grace" takes a new approach to this often emotionally charged issue. It helps us embrace the best of both theological systems in a refreshing and understandable way.
