Do we have authority that we don't know about? That we haven't discovered? That we're not using? Kenneth E. Hagin asked himself these questions when he was a young preacher, I had had little glimpses of spiritual authority once in awhile, he writes in The Believer's Authority. Like others, I had stumbled upon it and had exercised it without knowing what I was doing. As a result of my studies, I concluded that we as the Church have authority on the earth that we've never yet realized. A few of us have barely gotten to the edge of that authority, but before Jesus comes again, there's going to be a whole company of believers who will rise up and with the authority that is theirs... they will do the work that God intended they should do. In this four CD-series you will discover great revelation on the authority that Jesus purchased for you to use as a believer in Him!
