## **Blood Moon on the Rise** Lauren Smith

Tamara wants nothing more than to protect the world from deadly paranormal creatures. Well, maybe she wants a little more than that. But the man she craves—Nicholas Rubin—is strictly off limits.

For years, Nicholas has been her loyal partner, helping to defeat murderous werewolves and take down unruly vampires. Nicholas has always given Tamara his protection, friendship, and support. The only thing he hasn't given her is his love. A relationship between Tamara and Nicholas is forbidden by ancient law, and the consequences could be deadly.

But when a powerful Sorceress threatens both their lives, Tamara has a choice to make: Give into her feelings for Nicholas, and risk her life. Or take a chance on Nicholas, and receive his love—at a price.

If you wish to get information about your study, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, this kind of us novel, comics, as well as soon. The Blood Moon on the Rise will give you new experience in studying a book.

#### **Donald Vermillion:**

As a scholar exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some guide, they are complained. Just little students that has reading's internal or real their passion. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that studying is not important, boring in addition to can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Blood Moon on the Rise can make you feel more interested to read.
