The Contract [Book 3] - The Billionaire's Secret Bargain

Miranda Hopkins is still trying to avoid her deep emotions, and billionaire's Harry's desire to have her as his sub isn't helping. She'd thought this would be easy when she'd first signed his contract. Even though she'd now torn up the contract and made her own rules, she still found herself bound by silken ropes at the whim of her Master.

Harry Rosenburg is a Master in every sense of the word. He refused to give up on Miranda being his submissive. There's no one like her, and he begins to see that unless he gives everything of himself, he can't expect her to. Why can't Miranda be as simple as all his previous contracts?

Trust and respect are key as these two discover deep issues neither have wanted to face. Will their realizations and soul-stealing BDSM sessions bring them together or forever drive them apart?

Note to the reader: This is final book in the three part series.
