You were born to make an impact in this world and you know it. You feel it deep down in your bones. Apathy is your nemesis and your hunger to change the world keeps you up at night. But no matter how deep this hunger growls, we can only make a meaningful impact if we are rooted in Jesus. And here's the thing:

**God is not interested in developing your vision first.
He is interested in developing you.**

In Rooted, Banning Liebscher takes us to the life of David to show how God expands our root system in the hidden places before leading us to where we all desire to go, the visible world. It was in a field of prayerful devotion, a season of serving, and a cave of community that God prepared David for his crown, the same way God prepares us. Take a look at your own life. Are you embracing God's process, the sometimes painstaking and maddening process? When we can release ourselves to God we will find that we can thrive while He develops us, rather than succumb to discouragement.

Whatever your age or season of life, it takes immense courage to slow down enough to let God grow a root system in your life so that you can bear fruit that remains. You are where you are because God has planted you there. Discover what it looks like to embrace His process so you can do what He has called you to, change the world.
