The Hidden Wound

Wendell Berry

The Hidden Wound Wendell Berry

With the expected grace of Wendell Berry comes *The Hidden Wound*, an essay about racism and the damage it has done to the identity of our country. Through Berry's personal experience, he explains how remaining passive in the face of the struggle of racism further corrodes America's potential. In a quiet and observant manner, Berry opens up about how his attempt to discuss racism is rooted in the hope that someday the historical wound will begin to heal.
