Here is a handbook for all who desire God's involvement in their family matters - from the heart of a parent who knows the power of prayer. More than ever today our families need to be surrounded and upheld by a power greater than our own. PRAYER provides that power. From her many years of experience and ministry in the area of prayer - and from her own personal experience as a wife, a mother, and grandmother - Evelyn Christenson shares what God has shown her about what can happen when we pray for our families.
