This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1891 edition. Excerpt: ... WHAT IS JUSTICE? Copyright, 1891, by F. J. Nebdham. The realm of Infinite Justice is for no far-off place or time. It is here. It is all about us. It is working to-day as it has worked during all past days and generations. It metes out to all pain or blessing by a Law inconceivably exact. It is impossible to escape its judgment. It has nothing to do with man's law. In its operation, the one declared guilty by man may be the more innocent, while the accuser receives its punishment. It declares many things to be offences which we may not deem as offences. But the justice of the Supreme Power, though exact, is kind. Its aim is not to punish but to make more happiness for all. The Law of Life and happiness is as a straight and narrow path. The moment we turn out of it, we are met by an obstacle, a barrier, a pain. The more we try to turn aside the obstacle or remove the barrier, the more the pain increases. The justice of the Supreme says to us : " You are out of the right road. In the way you would go and use your forces are pains and unrest. I have a safe path for you. Of that path you can see only that part you are to S tread for the hour and the day. Do not try to plan out and map out your future. That is my business. Leave that all to me. Keep in the mood of demanding of me where you shall tread and how you shall live for the hour and the day. Keep in this mood until it becomes second nature, and I will send you wisdom to live aright for the hour, as the Sun sends to the plant enough of its warmth for the hour, and no more." Every pain, every uneasiness of mind or body, great or small, is a judgment entered up against us, but only with the aim of keeping us where we shall grow into ever increasing happiness. "Punishment" and "penalty"...
