Attention Deficit Hyper Active Disorder: Adhd Mrs Parvathy Viswanath

Attention deficit hyperactive disorder is often met in our day to day practice and rehabilitation of these children need a coordinated effort involving many disciplines. The Author with her rich experience over many years in this field has brought out this good book incorporating many aspects. The information available in this book has been carefully compiled from various sources in a comprehensive and easily understandable manner. The medical aspects have been covered in a simple understandable language. This book will be an useful guide for parents and care givers dealing with ADHD. This guide book on Attention Deficit Hyperactive Disorder (ADHD) is dedicated to all those who are called upon to deal with children and adults with ADHD. We salute their unmatched devotion tireless dedication and timeless persistence. This book, the second edition, we earnestly hope, will do its bit to lighten their noble burden. The first edition was well received by the mainstream school teachers, special educators and parents. Their feed back and demand by the professionals inspired the Author to go for 2nd edition of this book.
