Blades of Thunder: Book One (Volume 1) LTC W Larry Dandridge

Six young Army pilots and green officers, all between 20 and 21 years old, arrive in Vietnam where they each become men, highly skilled pilots, and proficient officers within a few months. None of them will be the same after their first combat tour in Vietnam. All of them will bear the scars of war for life, either physically or mentally or both. All will be strengthened spiritually and none will ever be the same. Some will soon be dead and most will be injured or wounded within the next 12 months. One will become an amputee and all will suffer from varying degrees of Post Traumatic Stress Disorder (PTSD) for the rest of their lives. All will become beloved brothers and all will honor their families, friends, and this great nation with their dedication, sacrifice, courage, and love of family, country, and God!
