WILDERNESS THRILLER. Tracker Mackenzie Crow is hired to trail a fugitive from the law. Mac might be new to bounty hunting, but he is right at home in the northern woods, and this is just the sort of job he needs to make a name for himself. Skillfully pursuing a murderer deep into the wilderness, Mac assumes this manhunt will be a slam dunk, after all, law officers and fellow bounty hunter Rosa are at his side. Homo sapiens are full of surprises however, and the young tracker finds himself on the wrong end of the hunt. Mac and Rosa must escape from the deep mountains, with minimal gear during a blizzard, and to make things worse, they are being tracked by a killer who always seems to be three steps ahead of them. If Mac's skills of survival and tracking fail them, he and Rosa's bodies won't be found until spring time.
