Steve and his friends may have defeated a giant, but now they have to deal with the giant's creator. Following an urgent message from a friend, the team travel to Swordclash, a town unlike anywhere they've ever been before. Worldly traveler Sabrina tells them that Marigold the Witch, who created a giant to test her powers, has found out what they've done and she's on the warpath!

The trusty band of adventurers soon head out on a quest to find Marigold and stop her before she gets revenge, but soon they find that they're in much grave danger than they thought. Villagers flee from them, traps are set to catch them, and mysterious forces come for them in the night. What is Marigold planning, and how far will she go to achieve her aims? Follow Steve, Sara, Simon and Saunders as they attempt to foil her evil plot and save the world again!

All Steve wants is to lead a simple life, away from troublesome neighbours and the monsters that come out at night and cause havoc. He thought he'd put his adventuring days behind him, but instead, thanks to a random encounter in a nearby village, he gets roped into a daring plan to save the inhabitants from a new and never before seen threat.

Despite Steve's reluctance to get involved in someone else's fight, he teams up with a new group of friends from his new home, they set off to put a stop to the menace once and for all. Can they save the village and become great adventurers once again?
