Books on Christian marriage abound today. If you're like many people, you've read books covering every facet of marriage imaginable. Except one: in-laws.

Drawing on his years of counseling experience, Wayne Mack provides straightforward guidance for both parents and married children. While maintaining that children should always honor their parents, Mack surveys biblical evidence and concludes that married children owe first loyalty to their spouse.

This concise booklet includes several appendixes that help couples assess the state of their in-law relationships.
