Leaving behind her exciting career as a New York City fashion editor, Eden Karr - pregnant with twins - moves to small town Texas and opens a clothing boutique. Life in Arbor Glen is a far cry from the fast pace she's always thrived in, and she wonders if she's made a mistake - until sexy carpenter Jace Morgan strides into her store.

One look at beautiful Eden, and Jace know he's found his woman. Trouble is, she's still yearning for New York and his roots are now firmly planted in the Texas Hill Country. Somehow, he's got to show Eden that life here with him could be rich and full, and that the growing love they share is strong enough to keep them living happily ever after.

Alison Kent, author of *No Limits*, a Cosmo Red Hot Read, has written over forty sexy, sassy contemporaries for Harlequin and action adventure suspense novels for Kensington. If there's a better career to be had, she doesn't want to know about it, as she's quite happy penning romantic tales from the backyard of her Texas home where she lives with her petroleum geologist husband and two rescue dogs, one a Hurricane Katrina survivor.
