**The human Jesus transformed, liberated, and empowered person after person, changing their lives forever.** It's so simple, this Way of following Jesus. While simple doesn't mean "easy," it is a path worth following and a challenge worth pursuing, especially if we let the Spirit of the Living Christ lead us, one step at a time, one day at a time. That's not easy, either. *Meeting Jesus Today*, ideal for both individual study and small groups, is intended to be used as a workbook. It is designed to move readers from studying the Scriptures and ideas within the chapters to recording their journey with the Living Christ. Jeanie Miley calls this process of interacting with the biblical record and our thoughts, experiences, and yearnings soulwork, and she believes this process is one of the ways the Living Christ works to do what Jesus did: healing, transforming, liberating, and empowering us as we give ourselves to the process. Readers may delve deeper into Scripture with reflection questions in several categories—*Exploring the Scriptures, What About You?,* and *For Your Eyes Only*—questions that are intended to move the ideas in each section to a deeper level where you live in Christ and he lives in you.
