**Mongoose, R.I.P. (The Blackford Oakes Mysteries) William F. Buckley**  
**Blackford Oakes launches a wild attempt to kill Castro on behalf of the CIA**

Ever since the botched invasion at the Bay of Pigs, Fidel Castro has run amok. He has executed thousands of his enemies, driven his countrymen to emigrate, and done everything possible to run Cuba into the ground—all in a deliberate attempt to humiliate the White House. At least, that's how the situation looks from 1600 Pennsylvania Avenue, where hatred of Castro has grown into an obsession. Under orders from John and Bobby Kennedy, the CIA will do anything necessary to kill Castro—no matter how ridiculous.

Even-tempered CIA agent Blackford Oakes is dismayed at the agency's wild schemes, which include everything from poisoned wet suits to mafia hit men. But the evil of Castro's regime is not a joke, and Oakes won't be laughing when he tries to knock the dictator off his throne.

*Mongoose, R.I.P.* is the 8th book in the Blackford Oakes Mysteries, but you may enjoy reading the series in any order.
