The devotions in Reflect challenge students to put their servant spirit into action in their own communities once they have returned home.

This 3-book Mission Trip Devotions & Journal series will prepare teens and young adults for a short-term mission trip, challenge them spiritually while on their trip, and help them debrief once they have returned home. These pocket-size books with a band to hold each closed are designed as travel journals. Each includes 15 devotions and journaling space throughout to help students maximize any short-term mission trip, either locally or out of country. Mission trip leaders should buy a set for each mission trip participant and build the purchase into the trip cost.
