Sour Grapes: A Savannah Reid Mystery G. A. McKeve

When it comes to sassy private detectives, no one's bigger than Savannah Reid. The feisty, full-figured, steel magnolia of G. A. McKeve's acclaimed mysteries knows how to turn every investigation into a delicious romp, even when she's dealing with a bunch of waif-like beauty queen hopefuls who will kill to be crowned. . .

Sour Grapes

Things finally seem to be calm and peaceful in Savannah's life, but before she can celebrate by biting into a mouthful of juicy fried chicken, her spoiled baby sister, Atlanta, comes knocking. Atlanta's determined to become a star, and her first step is the Miss Gold Coast Beauty Pageant that's being held right in San Carmelita. Savannah is feeling pretty ornery about the impromptu visit, but she's more alarmed about Atlanta's growing obsession with her appearance. Savannah blames it all on the beauty pageant, where the competition has become so fierce that someone's been driven to murder.

Desperate to keep her flighty sister out of harm's way, Savannah digs into a real beauty of a case--and discovers the ugly underside of the wave-pose-and-cry scene. And when it comes to a bevy of backstabbing, sequin-wearing, crown-coveting glam girls, the question isn't who would want to commit murder, but *who wouldn't?*

Raymond Crandall:

As a university student exactly feel bored for you to reading. If their teacher inquired them to go to the library as well as to make summary for some book, they are complained. Just minor students that has reading's heart or real their interest. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that reading through is not important, boring along with can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Sour Grapes: A Savannah Reid Mystery can make you feel more interested to read.
