Ambush: The Real Story of Bonnie and Clyde Ted Hinton

The story of Bonnie and Clyde - their love, their desperate killings, and their destruction in an explosion of gunfire - has fueled an American legend for over forty years. But it is only with this book by the last surviving officer of the six who shot Bonnie and Clyde that the full story of their capture has been told. Ted Hinton's description of a secret, illegal police trap - hidden at the time from the press and public - is one of many revelations he draws from his intimate knowledge of the greatest manhunt of the 1930s. As a Dallas lawman he spent seventeen months, night and day, on the trail of Bonnie Parker and Clyde Barrow. He knew the notorious criminals personally from the seamy, hoodlum-ridden Dallas neighborhoods where they all grew up. He shared their code of toughness and genuinely admired the extraordinary courage, skill, and loyalty that made Bonnie and Clyde stand out almost as heroes in the public imagination. Hinton admired them, but he never doubted that they had to be stopped. The long trail could only end in a shootout and their deaths - or his.
