This brand-new test preparation aid can be used alone or in tandem with Barron's new AP Psychology manual. A set of approximately 502 flash cards present frequently used terms on the AP exam with definitions and examples on the reverse side of each card. Questions cover all AP test topics. Each flash card measures 4 1/2" x 2 3/4" and has a punch-hole in one corner that accommodates an enclosed metal key-ring-style card holder. The ring allows students to arrange flash cards in any sequence that suits their study needs.
