Battle Mage: A Tale of Alus (The High King: A Tale of Alus Book 3) Donald Wigboldy

Sebastian was just a boy when the wizards came and took him to the school of magic. Without the magical power to become a full wizard, the boy spent years training with the weapons of a soldier. He was also trained in the lesser magic of a battle mage. Considered inferior by the wizards, the poor apprentice found his days plagued by Magnus and his wizard friends. Magical pranks continued to follow his days as he trained harder and harder to prove himself.

With the Dark Emperor's hordes threatening the Great Wall once more, Sebastian finds himself on an apprentice's first journey to the guardian forts of the Wall. An uncomfortable trip to Windmeer fortress is made all the more difficult as his childhood bully, the wizard Magnus tags along. When friendship blooms with Yara, a female wizard that also has Magnus' eye, will Sebastian find himself fighting more than just the Dark One's hordes?
