Peaceful Valley is about to become a slaughterhouse!

For the first time ever, Samhain Publishing will serialize a terrifying original novel, *Savage Species*, in five installments, with new installments coming every two weeks.

The construction of the Peaceful Valley Nature Preserve, a sprawling, isolated state park, has stirred an evil that has lain dormant for nearly a century, and all the men, women and children unlucky enough to be attending the grand opening are about to encounter the most horrific creatures to ever walk the earth.

Part Three: *Dark Zone*

Charly, Sam, Jesse and the others must do battle with the Children in the labyrinthine subterranean world that the creatures call home. But the situation grows bleaker when many of the survivors are captured and borne deeper into the lightless caverns...where a new and even more horrific species awaits.
