The brainchild of Amazon Kindle Number One bestselling western writers Mike Stotter and Ben Bridges, PICCADILLY PUBLISHING is dedicated to issuing classic fiction from Yesterday and Today!

## THE BLACK WIDOW

Whitey was on him like a lean panther, swinging the pistol like a club at the back of the boy's head, catching him a solid blow. The sentry crumpled to his hands and knees, mewling in pain, barely conscious. As Jed kicked the outer door shut, shooting the main bolt across, he heard the sickening crack, like a ripe apple being trodden underfoot, as Whitey swung his gun a second time, smashing the top of the guard's skull to a bloody pulp. Ignoring the body, that lay still twitching at his feet, the albino bent and wiped blood and matted hair from the foresight of his Colt on the fancy waistcoat, adding a macabre layer to the decorations. "Leaves us three," he said ...

## ABOUT THE AUTHOR

John J. McLaglen is the pseudonym for the writing team of Laurence James and John Harvey.

Laurence James began his writing career in 1974 when he published his first novel in the science-fiction series SIMON RACK: EARTH LIES SLEEPING. He worked in publishing for ten years off and on till about 1970, when he went to "New English Library and ran the editorial side of NEL for three years." In addition, around 1974, James published the fantasy saga of Hells Angels in England & Wales in the early 1990s under the name Mick Norman.

While the name of Laurence James is not synonymous with Westerns, those of John J. McLaglen, William M. James and James W. Marvin, to name but a few, are.

John Harvey, a former English and drama school teacher began his contribution to the Herne the Hunter series with the second book, River of Blood. "In the Western," says John, "I'm interested in finding a balance between the myth of the West (as it comes through American literature and film) and the historical reality. Increasingly, I'm concerned to attempt to make a stronger place for women in the Western, which is traditionally a refuge of masculinity and male fantasy."

The character of Jed Herne is like a blunt instrument moving through the West. He never achieves happiness, nor riches. Laurence James said, "There is no such thing as a happy western hero. Never. They can't be. They've got to be men alone. They've got to be heroes."
