The Essential Element: How to get the most out of Yogi Bhajan's core teaching: Morning Sadhana Jot Singh Khalsa

Ideally - early morning sadhana, as taught by Yogi Bhajan, incorporates Japji Sahib (a prayer of attunement with the soul), Kundalini yoga, meditation and Gurdwara (Guru's Gate) a meditative, music-based prayer service that Yogi Bhajan referred to as the social part of sadhana.

During approximately four decades of worldwide teaching, Yogi Bhajan consistently referred to daily sadhana as the most important practice one could do to enable self-mastery and achieve and maintain success.

In his first book, *The Essential Element*, Jot Singh shares his experience of practicing daily early morning Kundalini Yoga and meditation (Sadhana) for over 40 years. Included are techniques, tips and vegetarian recipes to support you developing a practice, and many quotes by Yogi Bhajan on the subject. The book also offers numerous suggestions to support your efforts building consistency with a practice which will uplift and transform you.
