## He's late delivering her pizza, but just on time to deliver her baby!

### Stephanie

Nine months pregnant, recently widowed, and craving a double mushroom and extra sauce pizza. If that's not bad enough, a handsome med-student who is late delivering my favorite comfort food finally arrives *just as my water breaks*. Not the beginning of your usual love story, I know.

There's something about Daniel, though. He's white and privileged, a thousand miles from my world. After *he delivers my baby*, we start to spend time together. After the baby's father died in Afghanistan, I told myself I'd never love again, but Daniel is just so sexy and sweet. **I can't resist him...**

### Daniel

I never would have dreamed that delivering pizza would drop *the world's most perfect woman* in my path. Working my side job brought me and Stephanie together, but then she went into labor in my arms. As a first year med-student, my medical knowledge really saved the day. She's **a gorgeous dark-skinned princess**, so different from every other woman I've ever met...

Over time, checking up on her turns into more. She's all alone in the world, a beautiful grieving widow with a gorgeous new son. **Our bond turns passionate and hot, and I know I need to find a way to make Stephanie mine.** She might drive me nuts sometimes, but *I've fallen hard for her and Danny*, her new baby. **Yeah, she named him after me.**

*Am I strong enough to heal Stephanie, body and soul, so that I can make her mine forever?*

*NOTE: This is a **full-length BWWM pregnancy romance novel** of roughly 48,000 words. It includes equal parts **sexy and sweet**. Guaranteed happily ever after ending (HEA), and absolutely no cliffhanger – 100% satisfying interracial romance book. Includes bonus novel "Slices" for free.*
